

Antioch 'brittle' but survives chill

by GLORIA DAVIS

The coldest temperatures in recorded history hit Antioch, along with much of the midwest, on Saturday, Jan. 9 and Sunday, Jan. 10, with temperatures in the Antioch area reaching 26 degrees below zero and the wind chill factor readings practically going off the scale, being estimated at 70 to 80 degrees below.

According to Charles Maplethorpe, Antioch fire chief, there were a few minor fires over the weekend that included a chimney fire early Jan. 9 and a car fire later that same day. Early Monday, Jan. 11, a malfunctioning furnace motor filled a home in Oakwood Knolls with smoke.

Maplethorpe also gave a report from the streets department saying that the only problem that department had to contend with was drifting snow because of the high winds whose velocity reached 40 miles per hour at times.

"We had crews working on that all weekend and the village is in pretty good shape," he said.

Maplethorpe also reported that the water and sewer systems were both operating well.

According to Antioch Township Highway Commissioner David Heath, his department did their best in dealing with the cold temperatures and drifting snow.

"Certain roads like Savage Rd., off of Rte.

173 south and Wilmot Rd., off of Rte. 173 on Lake Ave. to the state line, were a problem," he said.

Heath reported that a few of the township's subdivisions had problems, especially Fox River Springs whose roads were drifted shut on Sunday, Jan. 10.

The highway commissioner reported that he and his crews were out until 11 p.m. on Sunday and out again at 4 a.m. on Monday morning.

"The extreme cold and high winds were tough on our equipment and it took the grader to open up the bad roads," Heath said.

He also reported many abandoned cars seen while plowing out the drifted roads.

All Antioch area schools were closed on Monday, Jan. 11, because of remaining sub-zero temperatures and possible drifting snow, even though early Monday temperature readings showed a varitable heat wave of only five degrees below zero.

Heath, who is also on the Antioch Rescue Squad said that, to his knowledge, there were no serious accident calls or stranded motorists calls over the weekend. Most calls were for small accidents and medical problems that were not weather related.

Antioch Police Chief Chuck Miller said that his department had a quiet weekend. "The cold weather kept all the criminals and drunk drivers at home," he reported.

KEEPING WARM IN 80 BELOW — Area resident adds fur coat over snowmobile suit in effort to keep warm during record cold weather on Saturday, Jan. 9 and Sunday, Jan. 10. Thermometer on tree recorded record 26 below zero, but not minus 80 degrees wind chill. — Photo by Gloria Davis.

Believe no foul play in Rockow shooting

Evidence indicates there was no foul play involved in the New Year's Eve shooting death of Jerry Rockow, 56, an Antioch contractor.

According to Capt. Roger Zeihen of the Kenosha County Sheriff's Dept., Rockow died of a gunshot wound to the head. His body was found in a ditch near the intersections of Hwys. JS and V in Salem Township.

Kenosha County Coroner Thomas Dorff

has not ruled the death a suicide, nor has he scheduled a coroner's inquest, pending the results of state crime lab reports.

A rifle found next to the body has been sent to Madison for analysis.

Rockow reportedly left his home about 5:30 p.m. Dec. 31 to purchase cigars. When he did not return home, friends began searching for him. A Kenosha County employee, who was driving a salt truck, found the body.

Residents can expect only one tax bill

Antioch taxpayers will only have one tax bill to pay this year following a decision by the taxation and elections committee of the county board not to return to twice-yearly billing.

According to Randy Murphy, administrator for the management services and data processing department of Lake County, such twice-yearly billing requires action by the county board.

"The taxation and elections committee has to decide whether or not it is necessary to go to accelerated billing. In this case the committee has decided it is not necessary and will not offer a resolution to the county board," said Murphy.

Without a resolution to go to twice-yearly billing, the normal process of one tax bill will be followed.

Murphy said that the accelerated billing is designed to provide tax dollars to local taxing bodies earlier.

Accelerated billing usually means that taxpayers will get one bill in the spring, based on 50 percent of their previous year's taxes, and a second bill in the summer for the adjusted remainder.

However this year Murphy estimated that if all goes well, the county will be able to mail tax bills by May 20.

"Two tax bills cost extra money to prepare and mail, but the taxing districts, and the county, have the advantage of getting that early billing," said Murphy. "This year we hope to be able to save money, yet still get the money to the taxing districts early."

Murphy said that the county has been trying to monitor the tax cycle and their efforts have been "improving each of the last few years."

He said the reasons for the county being able to have just one early billing are "cooperation of township (tax) assessors and better coordination of county departments."

"But you can probably find as many reasons as you can find people to talk to. It

all depends on who you ask," Murphy added.

The actual schedule of when the tax bills will be mailed depends on the number of objections filed with the board of review.

"If it's a high volume, then it may be later than May 20. If it's a reasonable amount, then it should be May 20, maybe earlier," said Murphy. The actual time schedule could be affected by as much as three weeks either way, depending on the number of objections filed.

He added that the speed in which the county receives its multiplier from the state will also be a determining factor.

"We've estimated that we'll be able to mail our bills two weeks from the time we give them our final abstract," said Murphy.

Good news in The News

Tree Time

Village officials hope that the tree burning festivities planned for this year will become an annual event in the future.

The village is asking residents to bring their Christmas trees to Osmond Park, at the bottom of Hillside Ave., at 5 p.m., Sunday, Jan. 17 and participate in the tree burning.

"We hope there'll be enough this year and then next year everyone will know ahead of time and can plan to participate," said Trustee Claudette Skvarce.

The festivities will also include a skate swap meet, skating activities and hot chocolate for all. The activities are planned through the village's parks and recreation commission.

Carole reports Holidays bring out 'grumpies' in many

by CAROLE RISK

It must be most holiday depression, because everybody seems to be crabby. You should have heard two well-dressed women slipping and stumbling down Antioch's icy unshoveled sidewalks on the west side of Main St.

The least that can be said

is that they were not pleased, then there was the young mother with four little kids at the Jewel, who said that it took her 45 minutes to dress all the kids then struggling through Jewel's unplowed parking lot, almost had another car hit hers, only to get into the store and find that seven of the 20 items she needed were not in stock.

Whew was she mad.

Over at the drive-in window of the bank, cars were backed up three deep. No happy faces there. Couldn't help but wonder, wouldn't it be more efficient for the customers and the bank, to have additional tellers at peak check cashing times after 4 p.m., rather than at two in the afternoon. Afterwards, stopping to pick up newspapers, I overheard several gentlemen complaining that they were out doing the family shopping as their wives said that certain village streets were not safe for driving because they had not been completely cleared of snow and ice. All in all a very crabby day.

But my favorite is the teenager who has a drawer full of cold-weather gear, hats, mittens and scarves, going out without them, then telling me how cold it is outside, and how awful a sore throat and stuffed nose feels.

Women to hear afternoon of song

The members of the Antioch Women's Club are

looking forward to a wonderful program at their next meeting on Jan. 18. The program will be an Afternoon of Songs by Lloyd Pederson, accompanied by Jeff Smith on the organ and piano at Avanti's Restaurant on Rte. 83 near Antioch.

Pederson is a well known entertainer from Antioch. He was a featured vocalist with Wayne King's Orchestra for several years. Officers and committee chairmen will meet at noon for a board meeting to the general meeting at 1 p.m.

Farewell planned

A farewell potluck dinner honoring Mr. and Mrs. Jeff Gokey will be held at 5:30 p.m., Sunday, Jan. 10, at the United Methodist Church of Antioch.

Jeff and Cathy Gokey began serving the Sunday School as teachers while there were local high school students. As adults, they have continued communing each Sunday from Schaumburg.

Mrs. Gokey is the former Cathy Wysoglad. The couple with their two-year-old son, Brian will be moving to the Houston, Texas area where Jeff has taken new employment.

Those attending are asked to bring a dish to pass. Table service would be appreciated.

INSIGHT INTO EYESIGHT

Dr. R. A. Sona, OPTOMETRIST

DETECTING BABY'S PROBLEM

There isn't much a baby can see clearly when he's first born. He doesn't have the ability yet to focus quickly or accurately. It takes a while before he learns how to use both eyes to see well. In the beginning, each eye acts independently on the other.

As time goes on, if baby still doesn't seem to be seeing well, he should have an eye examination. There are certain telltale signs a parent can watch for. Does your child find it difficult to pick up small objects? When he reaches for a toy, does he miss it completely? And

when he starts to walk and hustle around the house, do you often see him stumbling over things that he should have seen and avoided?

There are signs to look for. Check to see if he is using both eyes to focus on an object. If he tilts his head to look at something or squints or closes one eye to look closely at something, there may be a vision problem. An eye examination is the only way you can be sure.

Obituaries

Arthur Charles Holt

Arthur Charles Holt, 77, of Lake Villa, died Jan. 3 at McHenry Hospital, McHenry, following a sudden illness.

He was born in Chicago on April 22, 1904 and made his home in the Waukegan area for the past 58 years. He was a member of the Episcopal Church of Waukegan. Mr. Holt was a graduate of Kent College of Law and a member of the Illinois Bar Assn. since 1929. He was a member of the Assn. of Trial Lawyers, American Academy of Matrimonial Lawyers, a veteran of World War II, serving with the U.S. Army Air Corp. and the Illinois National Guard, and also was a member of the Elks Lodge 702 BPOE. He was a practicing attorney for 50 years with offices in Waukegan.

Survivors include his wife, Mary C.; two daughters, Josette (Dr. James K.) Martins of Eden Prairie, Minn. and Mary Louise (William) Freundt of Wildwood; six sons, Arthur C. Jr. (Kathy) of Harvard, Richard (Sandra) of Grand Junction, Colo., John (Cheryl) of Key West, Fla., James (Noni) of Key West, Thomas (Charlotte) of Montgomery, Ill. and Timothy (Betty) of Wildwood; one sister, Josette Hollender of Waukegan; 28 grandchildren and four great-grandchildren.

Private family services were held Jan. 6 at Strang Funeral Chapel, Grayslake, with the Rev. Draper H. Bishop of the United Protestant Church of Grayslake officiating. Interment was private. Contributions in his memory may be made to the Pioneer Center for the Exceptional in Woodstock.

Ferne Smouse

Ferne E. Smouse, 75, of Antioch and formerly of Marseilles, Ill., died Jan. 4 at St. Therese Hospital, Waukegan.

She was born July 24, 1906 in Miller Township, LaSalle County, Ill. and lived in Marseilles for most of her life until moving to Antioch in 1978. She was a member of the First Congregational Church of Marseilles, the Romana Chapter 398 of the Order of the Eastern Star, the Antioch Woman's Club and the United Methodist Women of Antioch.

She was employed as a teller at the Marseilles Building and Loan Assn. before her retirement. On June 16, 1928 she married Wilbur Fleming Smouse.

Survivors include one son, Kenneth (Elizabeth) Smouse of Antioch; one sister, Mrs. Lois Zimmerman of Ottawa, Ill.; five grandchildren and one great-grandchild.

Funeral services were held Saturday, Jan. 9 in Marseilles with the Rev. Stephen Williams of the United Methodist Church of Antioch officiating. Interment was in Riverview Cemetery, Marseilles. Contributions in her memory may be made to the United Methodist Church of Antioch, the Lake Villa Rescue Squad or the Antioch Rescue Squad in her memory. Arrangements were by the Strang Funeral Home, Antioch.

Ralph Coari

Ralph K. Coari, 51, of Antioch Township and west Lake County for the past 20 years, died Thursday, Jan. 7 at Victory Memorial Hospital, Waukegan.

He was born in Chicago, Sept. 19, 1930 and was a former resident of Oak Lawn and Cicero. He was a refinisher for Polk Brothers in Melrose Park for several years.

Survivors include his wife, Joan A. Coari; four sons, Kenneth (Cynthia) Coari, serving with the U.S. Army in Weisbaden, Germany, Ralph (Diane) Coari of Antioch, Richard (Debra) Coari of Antioch and John Coari, also of Antioch; his father, Anthony J. Coari of Spring Grove, five grandsons; and one brother, Arthur (Muriel) Coari of Ingleside. Other nieces, nephews and other relatives also survive.

Private funeral services were held Friday, Jan. 8. Interment was private. Arrangements were handled by the K.K. Hamsher Funeral Home, Fox Lake.

Harold O. Plagge

Harold O. Plagge, 83, of Antioch, died at his home Jan. 3.

He was born on August 4, 1898 in Illinois and had lived in Antioch for the past 10 years. He was a retired electrician for Commonwealth Edison Co. and a veteran of World War I.

Survivors include his wife, Rose; two daughters, Elaine Sternberg and June Scheiss; one son, Raymond; one brother, Austin; four grandchildren and four great-grandchildren.

Services were held Jan. 7 in Highland Park with interment in North Northfield Cemetery.

Ruth Kapell

Mrs. Ruth D. Kapell, 76, of Antioch, died Friday, Jan. 8 at Crown Manor Nursing Home, Zion. She was born Jan. 18, 1905 in Chicago and lived there until moving to Antioch in 1950.

She was a member of the Lawn Chapter of the OES in Chicago. On June 14, 1924 she married George W. Kapell in Chicago.

Survivors include one son, George C. Kapell of Antioch.

Private funeral services were held Monday, Jan. 11 at Strang Funeral Home, Antioch, with the Rev. Stephen Williams of the United Methodist Church of Antioch officiating. Interment was in Grass Lake Cemetery, Antioch.

Jenny Sherriff

Jenny Sherriff, 97, Salem, died Jan. 9 at Brookside Care Center, Kenosha.

She was born Oct. 28, 1884 in Australia, and had lived in England before moving to the United States in 1924. She had lived in Chicago before moving to Wisconsin in 1947.

She was a member of Salem United Methodist Church.

Survivors include a son, William, Salem and two grandchildren.

Private services will be held Tuesday, Jan. 12 at Strang Funeral Home in Antioch. Interment will be in Salem Mound Cemetery, Silver Lake.

News/OPINION

The Antioch News welcomes letters to the editor. Letters should be on topics of general interest, approximately 150 words or less and be signed with home address and telephone number. Guest editorials

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

Time Machine

50 YEARS AGO: JANUARY 1932

Accute indigestion was blamed for the death of Charles Thorne, 54, proprietor of a store at Grass Lake. He died at the home of his brother in London, Ontario. Mr. and Mrs. Thorne had left Grass Lake only six weeks before, following the death of their daughter, to visit relatives in Canada.

Total expenditures of \$188.97 for poor relief work for December were reported by Mrs. W. H. Osmond. For November the relief was considerably less.

Widespread comment among defunct Waukegan State Banks was caused by the announcement Monday night that a McHenry County Grand Jury had brought a directed verdict of not guilty in favor of State Auditor Oscar Nelson who being tried on charges of misfeasance before Circuit Judge Edward D. Shurtleff.

Although hundreds of people in Antioch participated in New Year activities Thursday and Friday, the celebration was one of the most uneventful in years from the standpoint of arrests and unusual boisterousness. The celebration in Antioch was centered around the American Legion New Years Eve Party held at the guild hall. John Horan was chairman of the committee in charge and dancing and cards were the diversions of the evening.

30 YEARS AGO: JANUARY 3, 1952

A new \$90,000 dormitory is under construction at the Central Baptist Childrens Home at Lake Villa where 43 children from broken homes are living. The building will be a duplex with a central dining room and kitchen, but the living rooms and sleeping rooms accommodating 10 boys to both of the units will be separate because of the difference in the ages of the boys.

An ordinance increasing the width and depth of street paving in new subdivisions was passed last night by the village board.

Louis Kacer, 57, a former resident of the Webb Farm east of Antioch died unexpectedly Saturday afternoon while working in the haymow at his farm home on Trunk V near Bristol, Wis.

All night street parking in Antioch during winter may soon be ended by ordinance order by the village board to be drawn by Attorney Edward C. Jacobs.

10 YEARS AGO: JANUARY 5, 1972

Former patrolman Raymond H. Engel of 25 Petite Ave., Antioch, has tendered his resignation effective Dec. 31. Engel had been with the force for 23 months and had previously worked at Round Lake. Engel, 35, cited as his reason for leaving, the friction between himself and other members of the force.

Two men, Randy Zeien, 19, of Antioch and Charles Denman, 20, of Lake Villa were slightly injured when the ice boats they were sailing fell through thin ice on the north end of Channel Lake on Sunday, January 2.

The Antioch Rescue Squad, fire department and underwater rescue team were summoned to the scene to assist in helping the men. Rescue efforts were hampered on account of the thin ice surrounding the site of the sinkings.

Letters To The Editor

Editor:

My congratulations to the young lady — Peggy Ducommun. She received first prize in the art contest. I was very impressed with her letter of explanation. It was sound Biblical theology. Her portrayal of the earthen jar as "Living Water," is one of the great themes in the fourth Gospel. "Structure resembling flames" is an Old Testament concept of a theophany. "Morning Star" can be found in the books of Numbers 24:17, 2 Peter 1:19, Matt 2:2, and Apocalypse 22:16. Her description of the

kinship of Christ is accurate. Her comments about the "snake" who attempts to "strike" at Christ, is consonant with the fourth Gospel.

John does not group all temptations (Three) of Christ — as the other evangelists do. The "bitten apple" does not appear in Genesis. However, being an artist, she has poetic license for such portrayal.

I hope that all the citizens of the Antioch area are very proud of such a young person.

Shalom,
Fr. Stan Kolbusz

Ask Dr. Sven
by Robert T. Sven B.S.D.D.S.
**YOUR DENTIST AND
YOUR MEDICAL HISTORY**

When you visit a dentist for the first time, he or she will ask about your medical history. For your protection, it is important that you answer all questions about your health as honestly and completely as you can. Even things that seem trivial and unrelated can have a relation to dental treatment.

Your general health can affect your teeth. For instance, diabetics tend to have very severe gum problems. Your dentist may need to consult with your physician regarding treatment.

On the other hand, dental treatment can affect your general health. Certain people with valvular heart disease need to take medication before dental treatment, to prevent severe re-infection of their hearts.

The dentist who is concerned about your total well-being will take a complete health history, and work closely with your physician if necessary, to see that you receive the best possible care.

Dr. Sven will be happy to answer individual questions about dental problems. Address personal inquiries to his office.

Sequoits roll, nip Blue Devils, edging Warren, 44-43

It was nip and tuck. A real nail biter, but Antioch's Sequoits, evened their conference record at 2-2 with a 44-43 win over Warren Jan. 8.

Neither team could really gain control of the momentum of the contest, but Antioch was able to ride into the second half in an ad-

vantageous position thanks to a 13-7 scoring edge in the second quarter which gave them a 26-22 halftime lead.

"It was a tight defensive

game. Nip and tuck," said Coach Roger Andrews, but in the end it was Antioch's 30-18 dominance of the boards that made the difference.

Bob Herick led Antioch with 10 rebounds and Andrews also cited Bob Gatti for an outstanding game. Andrews said his team will

concentrate on playing good sound basketball in preparation for a game Friday against Lake Zurich and Woodstock Saturday.

STICKING OUR HEADS IN THE SAND WON'T SOLVE THE PROBLEM.

These are tough times. Inflation, high interest, recession, all at one time.

Like most every company today, we've already done every prudent thing possible to cut expenses. But like everyone else, we've been hit by one unrelenting cost increase after another during the past year.

Unfortunately, they're jeopardizing our ability to maintain reliable electric service and meet the future needs of northern Illinois. And bringing us face to face with an enormous problem.

On the one hand, we can stop our plant construction program. Or postpone it.

Or we can keep going, and ask for a nineteen-percent rate increase. Not only to help finish the plants, but also to cover those rising costs.

This won't be popular, and we know it's going to hurt; but that's the course we're forced to take.

Because popularity isn't the issue. The issue is the reason why. Why it's absolutely essential that we finish the nuclear generating stations well underway at Byron, Braidwood and La Salle.

It's not just because of the billions

of dollars stopping construction now would waste. Or the millions of dollars a year it would cost every year we delay. Or that northern Illinois will ultimately need the electricity those plants will produce.

It's because those plants are the best available way to put a damper on rising electric rates. To keep future increases small when they are necessary and below increases in the cost of living.

The fact is, the nuclear fuel required to make a kilowatt-hour of electricity only costs one-fifth as much as coal. One-tenth as much as oil. And too much of our electricity is still generated from oil.

So finishing those nuclear plants will eliminate the need for a lot of that expensive coal and oil. Especially the oil. And literally save you billions of dollars in the process.

A coal or oil plant may cost less to put up, but not to operate. When you consider the huge fuel savings over the useful life of these nuclear plants, they're far, far cheaper in the long run.

So in the long run, continuing our construction program is the best solution there is.

Commonwealth Edison
Don't take tomorrow for granted.

—LEGAL— PUBLIC NOTICE NOTICE OF PROPOSED CHANGES IN SCHEDULE TO PATRONS OF COMMONWEALTH EDISON COMPANY.

Commonwealth Edison Company hereby gives notice to the Public that it has filed with the Illinois Commerce Commission on January 8, 1982 proposed changes in its rates and charges for electric public utility service in all of the areas in which it provides retail service.

Such changes involve and would effect a general rate increase, providing for estimated increases in charges for the following classes of customers: Residential - 19.5%; Residential Space Heating Customers - 19.5%; Water Heating - 19.5%; Com-

mercial, Industrial and Governmental - 19.5%; Governmental Pumping - 19.5%; Transit Services - 19.4%; Street and Area Lighting - 14.3%.

The proposed charges would increase the bills of a residential customer using 300 kilowatt-hours in any month by \$4.73 per month (19.0%) averaged over the year. If the customer used 600 kilowatt-hours a month, the corresponding increase would be \$9.47 (19.5%) and if 1,000 kilowatt-hours, \$15.76 (19.6%). The increases shown include estimated average 1983 fuel adjustment and revenue taxes but exclude charges for optional light bulb service. The proposed increases may, therefore, vary slightly from the above amounts depending on place of residence and whether the customer has chosen bulb service.

A copy of the proposed changes in schedule may be inspected by any interested party at any business office of this Company.

All parties interested in this matter or who desire further information with respect to these changes may obtain information with respect thereto either directly from this Company or by addressing the Office of the Chief Clerk of the Illinois Commerce Commission, Springfield, Illinois 62706.
